

DOG AGILITY 5

Code: 01-DA-3904

Description

Dog Agility 5 is a tunnel for dogs that perfectly combines durability, safety, and the joy of movement. Created with active dogs in mind, it supports their natural needs for exploration, running, and play. Each element of the set has been designed to provide dogs with a healthy dose of activity and to develop their agility. It is excellent equipment for any dog playground, delighting both the animals and their caregivers.

Dog Agility 5 is a training tunnel designed for maximum durability, safety, and user comfort. The solid structure is made of hot-dip galvanized black steel, ensuring high resistance to weather conditions.

The set consists of 4 foundation legs, 1 tunnel, and 2 walls with decorative elements on both sides of the tunnel. The walls are made of 15 mm thick HDPE, and the decorative elements are also made of 15 mm HDPE.

Playground device consists of

- 4 foundation legs
- 1 tunnel
- 2 walls with decorative elements on both sides of the tunnel
